PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 CFR \$1.181

Assistant Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

August 9, 2006

Sir:

Withdrawal of the holding of abandonment in the above-identified application pursuant to 37 CFR \$1.181 and \$711.03(c) of the Manual of Patent Examining Procedure (MPEP) is respectfully requested for the following reasons.

On December 29, 2005, applicants filed in the United States Patent and Trademark Office (USPTO) a timely amendment in response to the restriction requirement of December 13, 2005.

Having not yet received an action on the merits, the undersigned attorney reviewed the Patent Application Information Retrieval (PAIR) system, and discovered that a Notice of Allowance and Issue Fee Due was apparently mailed on January 30, 2006 setting forth a three-month period or until May 1, 2006 to

pay the issue fee. Since such Notice of Allowance and Issue Fee Due was never received by the law firm of the undersigned attorney, it is apparent that the USPTO considers the above-captioned application abandoned for failure to pay the required issue fee within the statutory period of three months from the mailing date of the Notice of Allowance, that is, by May 1, 2006.

The undersigned registered patent attorney hereby states that no Official Actions on the merits have been received from the USPTO after the filing of the above-mentioned amendment of December 29, 2005. Moreover, the undersigned attorney attests to the fact that a search of the file jacket and docket records confirms that no USPTO action on the merits has been received following applicants' amendment of December 29, 2005.

Petitioner submits herewith as Exhibit A, a copy of the docket record where the non-received Notice of Allowance and Issue Fee Due would have been entered, had it been received and docketed. In addition, Petitioner also submits as Exhibit B, a copy of the file jacket of the above-captioned application, which clearly reveals that no additional entry for a further Official Action on the merits has been made thereon following the filing of the December 29, 2005 amendment.

In view of the above remarks, and the accompanying Exhibits, it is respectfully submitted that Petitioner never received a Notice of Allowance dated January 30, 2006.

Accordingly, it is respectfully requested that:

Docket No. 8003-1037 Appln. No. 10/507,350

- the holding of abandonment for failure to pay the issue fee be withdrawn;
- 2) applicants be provided with all USPTO communications dated after December 29, 2005, including a new Notice of Allowance, and Notice of Allowability; and
- 3) the period for payment of the issue fee be restarted from the date of the remailing of the Notice of Allowance.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

Benoît Castel
